

Commuter benefits online solution

Get on track to savings

Want to keep more of the money you earn? Now, you can do just that with our online commuter benefits solution.

Great reasons to enroll

- Decrease your taxable income and increase your take-home pay.
- Pay for eligible work-related commuting costs with pretax dollars.
- Order transit and parking passes, vouchers and a Commuter Check® card online.
- Schedule orders to take place automatically each month.
- Add funds to a fare card with just a few clicks of a mouse.

Common transit expenses include those for:

- Buses
- Subways
- Streetcars
- Trains
- Ferries
- Vanpools

Common parking expenses include:

- The cost of parking at or near your place of work
- The cost of parking at or near the mass transit provider you use to commute to work

Things to keep in mind

- The Internal Revenue Service sets the monthly pretax parking and transit limits. View the current limits on the PayFlex® member website.
- Unused funds roll over into the next month.
- If you spend more than the monthly limit, that additional amount is paid for out of pocket (on an after-tax basis).
- PayFlex will replace up to one nondelivered pass per plan year. However, we aren't responsible for:
 - Expired and lost passes
 - Passes that you receive late because of delays with local transportation authorities
 - Passes that you do not receive due to an invalid or incorrect address
- If you use a transit authority that offers a combined parking and transit stored-value card and plan to pay for both parking and transit expenses, you'll need to buy two cards — one for parking and one for transit. You can load funds onto both.
